WONDERFUL WEEK 5

Week 5 is here, and that means our summer at Centerland is already half over. We can't believe how quickly time is flying by at camp. All we know is that we've only got three weeks left the squeeze as much more summer fun as possible into our days!

This week is a tie-dye bonanza at Amanut. All groups were invited this week to bring in a white item of clothing they can turn into a colorful creation! Campers that already had a tie-dye T-shirt were invited

to dye their socks, hats, shorts... anything at all!

Our theme for the week focuses on learning about the Jewish holy days. Campers sung (and signed) Hebrew songs, make Sukkahs in JCA, and created calendars of Jewish holidays.

The next couple of weeks will bring plenty of visitors to Camp Centerland. We are looking forward to having students from

the Heritage Center join us next Tuesday. Then during Week 7 we will host the Sheriff & Youth Camp.

Thanks for another wonderful week campers and staff! Our summer wouldn't be amazing without all of you!

LETTER FROM THE DIRECTORS

The fast pace and competitiveness of last week's color war has calmed but the amazing activities and spirit of Camp Centerland is still alive and thriving. Our Discovery campers have returned safely from a

three day overnight in Alleghany. It is fantastic to see the creativity and style of the tie dye from Amanut. We are looking forward to some special visitors in the upcoming weeks. Next week children from The Heritage

Centers will join some of our campers for a day of activities. During Week 7, the National Federation of Just Communities is bringing a group to camp to explore the world of civil service. Our campers will get to see mounted policeman, SWAT and even the Sheriff himself arrive in a helicopter! AWESOME!!!

Special points of interest:

- ☺ Apply sunscreen to your child every morning.
- ☺ Label EVERYTHING!
- ☺ Campers must wear sneakers to camp.
- ☺ Please bring goggles.
- ☺ Please refrain from sending in snacks with traces of peanuts or nuts.

Nurse Amy's Tip of the Week

As our summer winds down, each Friday we have more campers that will not be returning to camp for the rest of the summer. If this Friday is your final week at Camp Centerland, don't forget to bring home any medication that you have brought to the infirmary. A quick phone call or a note of reminder will help us make sure your important medication makes it safely home.

During their two-night trip, they can hike, kayak, prepare their own food, learn camping and survival skills, and basically have a terrific time!

The Junior Discovery will have the Centerland campgrounds to them-

DID YOU KNOW...

It's been said that one person's trash is another person's treasure. Camp Centerland is looking for some unusual donations from our families. Send us your garbage! OK, before you bring in a trash can full of smelly food and used Kleenex, let us explain what we mean by that...

Lots of our games and crafts

can reuse some things from home that were destined for the trash can. Please be kind and wash any items before sending them to camp. Here are a few of the items we would be able to find uses for:

- Yogurt/Cottage Cheese Containers
- Family-Friendly Magazines
- Baby Food Jars
- Coffee Cans
- Any jars/containers with lids
- Empty Paper Towel/Toilet Paper Rolls

For Monday of Week 6 (Aug. 2), one of our groups has requested to use any empty coffee cans (with lids) they can get their hands on! If you have any you are disposing of, please consider sending it in!

THE SPECIALIST SPOT

This week's specialist report come from Geoff, our Sports Specialist.

Hello to all campers and families. My name is Geoffrey Hurley and I run sports at Camp Centerland. It has been my privilege to wake up everyday to work with all these wonderful campers. I always look forward to the next camp day because there is always one camper who surprises me!

Working with campers in groups K-8, it is important to have appropriate games for all grade levels. Over the past five weeks, I've tried my best to make fun games for the campers in hopes that will look forward to sports everyday.

For Sharon campers, it is hard for them not to have fun. When they come to sports, they play games of all assortments. These games could be tag, obstacle courses, or specific skill development activities. For the

Sharon groups, I try to make my games so that they can improve their loco-motor and ballistic skills. This way, when they get older, they can improve their balance and coordination.

For groups Negev and Yehuda, there is never a dull moment. These groups always are excited and are ready to participate to the fullest level.

These groups favorite games include Spud, Knockout, soccer, and line tag. These groups can enjoy traditional games, but also benefit from the non-traditional games that groups like Sharon enjoy.

Geoff says: "Go Bills!!"

As for the older campers (Atid, Jr. Disc., Discovery), each camper loses competition. Since this is the case, I like to put games together that embrace competition. These games include kickball, relay races, hockey, baseball, and many others. Most importantly, campers always display good sportsmanship at the end of each game.

I would be lying if I said I didn't enjoy everyday I spend at Centerland. Each and every camper who goes here is extremely talented, smart and outspoken in their own way. I know in the last few weeks here at Centerland, we will only have more fun together!
